Dear Friend of the Museum,

*Executive Vice President,
Founding President and
Life Trustee*
Amb. Arnold Saltzman*

The remarkable support of our loyal friends and members enables the Nassau County Museum of Art to be a vital cultural resource to all in our region. **Now more than ever we need your support.** Your funding helps continue our mission to present dynamic art exhibitions and innovative education programs for people of all ages and backgrounds, as well as maintain and enhance our historic 145 acres of sculpture park, formal gardens and nature preserve.

Executive Vice President
Frank Castagna*

Please contribute to the Museum's 2010 Annual Appeal so we may continue to welcome over 225,000 visitors, including 30,000 school children, throughout the year. The Museum's Art School offers creative studio classes to an additional 1,000 adults and children. Your generosity enables us to provide a beautiful destination where all can enjoy art and nature in a historic setting.

The Museum's Education Department serves school children and their teacher through exemplary initiatives. The American Association of Museums recently recognized the Museum's CALTA (Culture and Literacy Through Art) Program, organized in cooperation with Queensborough Community College, as **"a key player in helping to ease the transition of new immigrants into their American communities."** Plans are well underway to build an Art Space for Children, which will offer expanded programming to better serve our family audiences.
